2. PRESS RULES: Defensive players must allow offensive players to enter front-court uncontested. Anytime an offensive player attempts to advance the ball on a fast break past the defense in the backcourt, the backcourt guarding rule is not applied!

a. Beginners – 3rd-4th Grade CANNOT press at any time.

b. 5th-6th Grade may only press in the last two (2) minutes of each half if not leading the game by 15 or more points.

3. OVERTIME:

a. Upon the completion of regulation time when the scores are tied, teams will enter overtime play. Overtime periods begin with a tip off and are two (2) minutes in length and all rules and regulations that apply during a normal quarter continue through each overtime period. One time out per over time period. Team and individual foul totals carry over to subsequent overtime periods. Backcourt guarding (pressing) is allowed in all overtime periods as would be in the last two (2) minutes of the game. Any game is not to exceed three (3) overtime periods and the third (3rd) period being sudden death, begins with a tip off. Sudden death rules are the exact same as the regular rules, except there will be no time limit/clock and the first team to score wins.

4. FREE THROWS: Players along the free throw lane may enter upon the release of the ball by the shooting player.
